

STAGES OF EQUITY

"DIVERSIFYING STORIES, TRANSFORMING ART"

A FREE 3-DAY VIRTUAL ARTS FESTIVAL | 20+ ARTISTS OF COLOR LED PROJECTS

Produced by and for the North Hennepin Community College community.

IN SOLIDARITY

North Hennepin Community College (NHCC) stands firm against racism and all forms of human oppression. The circumstances surrounding the deaths of Mr. George Floyd and Mr. Daunte Wright, both unarmed African American men, and the Atlanta shootings targeting Asian women, are deplorable. As a college committed to racial equity, we acknowledge the trauma that these incidents cause all of us. As a community, we recognize the fullness of human value and reinforce our commitment to truth, racial healing and transformation.
